TO ALL EQUIPMENT SUPPLIERS

Gentlemen:

1. Reference is made to our follow-on contract for procurement of equipment for FOG.

2. The FOG Depot at Warner Robins Air Materiel Area has an immediate requirement for drawings of equipment ~~supplied~~ or to be supplied FOG under our contracts. You have been requested either by a contract provision or by George's form letter of 20 November 1956, addressed "TO ALL EQUIPMENT SUPPLIERS" to furnish equipment drawings to FOG. In order to meet WRAMA requirements for drawings at the earliest practicable dates you are requested to comply with the following procedures:

a. If you are to provide reproducible drawings and they are complete and in final form, please ship them immediately to WRAMA

b. If you are to provide reproducible drawings and they are not complete and in final form, please make five (5) copies of all completed drawings and ship them to WRAMA immediately. All reproducibles should be shipped when completed.

c. If you are to provide a certain number of copies in lieu of reproducibles and they are complete and in final form, five (5) copies should be shipped immediately to WRAMA.

d. If you are to provide a certain number of copies in lieu of reproducibles and they are not complete and in final form, please ship five (5) copies of completed drawings immediately to WRAMA and the balance upon completion.

3. In the event you have already complied with any or all of the above, either by fulfilling the contract requirements or by furnishing two (2) copies of equipment drawings in accordance with George's letter of 20 November 1956, such compliance is not to be duplicated hereunder, and you may disregard this **request**.

Very truly yours,

Dan
